

LFT-230

Item Number 4682888

The assembly lift supports you in the safe and easy assembly of loads weighing up to 120 kg. The remote control extends the telescopic arm continuously up to 3 meters.

- Robust and galvanized steel construction
- Steel cables running in the steel pipe for increased safety
- Stepless regulation by remote control
- Variable alignment of the feet for safe working
- Practical transport bag

Technical Data

Material	Steel Aluminium
Colour	green black grey
Standards	CE FCC IC RCM RoHS REACH
RoHS Conformity	RoHS-true
Storage Temperature Range	-5 °C - 45°C
Voltage	230V
Frequency	50Hz/60Hz
Ingression Protection	IP43
Capacity	3 m:120 kg
Max. Discharge height	300 cm
Current	4 A
Platform Dimension	775 mm x 460 mm x 50 mm

Acknowledged globally

Insulation Class	F
Platform Weight	5 kg

Spare Parts

4688537	LFT-230-A76/5M-B103	Platform for REFCO lifter
4687320	LFT-230-BAG-SET	Carrying bag for LFT-230 and platform
